NON-EGRESSION PACT PREDICTED

Lloyd George Says Cornerstone of European Peace and Reconstruction Has Been Laid

GENOA CONFERENCE PRAISED

Proposed Treaty Would be to Europe What Four-Power Pact is to the Pacific

(By United Press)

Genoa, April 20.—"The success of the Genoa conference is assured," Premier Lloyd George declared today, addressing the press of the world at San Georgeo palace.

"The cornerstone of European peace and reconstruction has been laid," he said. "Both the Russian and German obstacles will be overcome," the premier stated. "Probably they will be settled today."

Lloyd George announced the conference will take up consideration of a pan-European pact of non-egression. Nations will guarantee not to attack each other without lengthy consideration of their difficulties.

The non-egression pact previously suggested by Lloyd George would be for Europe what the four-power treaty signed at Washington is to the Pacific.

Referring to the Russian-German treaty signed at Rapallo, Lloyd George says: "We have reasons to believe that Germany will drop from this treaty. Had any other nation represented here so signed behind our backs, it would have broken up the conference."

Lloyd George was most optimistic in his predictions. "We are overcoming all our difficulties," he repeated. "We are having the greatest success."

The premier declared his confidence that the other difficulty regarding Russia would be moved with receipt of the Soviet reply today. The Russian delegation delivered this note, replying to the allied expert proposal this afternoon, it was announced at the palace.

"I am confident that this conference will end with all nations entering into a non-egression pact," Lloyd George declared. "Otherwise the conference will be but a failure." He indicated he did not believe Russia and Germany wanted directly to wreck the conference.

TWO OF RUSHVILLE DENTISTS IN CLINICS

Drs. F. R. McClanahan and F. M. Sparks Have Part on Program of Eastern Indiana Association

MEETING AT CONNERSVILLE

Dentists of four counties, Wayne, Union, Fayette and Rush, met in annual session Wednesday at the McFarlan hotel in Connerville, and forty members of the profession attended the afternoon and night session, with a banquet at night in honor of Dr. J. H. Morrison, dean of dentists in this section of the state. Dr. Morrison, however, was ill and could not be present at the banquet.

Drs. Frank M. Sparks, F. R. McClanahan and P. H. Chadwick of this city attended the sessions, and Drs. Sparks and McClanahan conducted a clinic at the afternoon session.

The officers who are advanced from year to year, will be headed this year by Dr. H. E. Hinshaw, Richmond, as president; Dr. G. E. Stevenson, Liberty, president-elect; Dr. Chaffin of Richmond, secretary-treasurer.

The officers of the association will decide upon the next place for holding the annual convention. They met here a few years ago.

ORVILLE EDWARDS FINED \$5 AND COSTS

Arlington Veterinarian Pleads Guilty to Driving Automobile Without License

OTHER CASE COMPROMISED

Orville Edwards, Arlington veterinarian, who was in jail at Shelbyville since last Friday afternoon on a petit larceny charge, preferred by Dick Walters, a garage owner at Morristown, was arraigned this morning in the mayor's court at Shelbyville, and compromised by pleading guilty to a charge of operating his automobile without a license, and his fine of \$5 and costs was stayed by his mother. Judgment was withheld in the petit larceny case.

The accused man was charged with taking a storage battery from the Morristown garage, which was valued at \$15.

The defendant had remained in jail upon default of \$500 bond, and he had previously requested for a jury trial, but when court convened this morning he effected a compromise by pleading guilty to the case involving a smaller penalty.

HELP TO ENTERTAIN I. U. CLUB IS SOUGHT

American Legion Wants Volunteers To House College Men Who Are Coming Monday

SPECIAL APPEAL TO ALUMNI

A plea for Indiana university alumni and other friends of the university to offer to help entertain members of the glee club and orchestra when they visit Rushville next Monday, was made today by Rush Post No. 150 of the American Legion, under the auspices of which a concert will be given by the club next Monday evening at the Princess theater.

By entertaining the members of the club in Rushville homes over night, the post can save a large expense and thus increase their profit on the concert. Persons who are willing to have members of the club as guests are urged to notify Ivan Coyne or George Todd at once.

If a sufficient number of people have not volunteered rooms for the men in the club within the next few days, the Legion will call on local alumni of the university to come to their rescue. It is believed, however, that the alumni and other friends of the university will gladly help the post in bringing the club here, once they understand the situation.

"CITIZENSHIP WEEK" OBSERVED AT MILROY

High School Hears Series of Addresses This Week by Rushville and Greensburg Men

CITIZENS ALSO ATTEND

"Citizenship Week" has been observed in the Milroy schools this week by means of a series of addresses bearing on the general subject. These addresses have been attended also by citizens of the community.

The first address of the week was given by the Rev. C. S. Black on the subject, "Our Debt to the Past." On Tuesday John A. Tittsworth spoke on "Legal Procedure;" Wednesday the subject, "Sidelights on the Early History of Rush County," was discussed by Miles S. Cox and this morning Rollin Turner of Greensburg spoke on "Law Enforcement." The last address of the week will be given Friday by William A. Young on "A Citizen's Obligation to the Present and Future."

This is the first time a program of this nature has been attempted in the Milroy schools, but from the expression of interest from school pupils and citizens who have attended, the idea may become a regular occurrence.

PLAINTIFF GIVEN JUDGMENT OF \$3

Jury Finds For Roy Hartwell in Suit for \$350 Damages Against Rue Miller

COMPLAINT FOR DIVORCE

Lizzie Maple of Posey Township Alleges Cruel Treatment in Suit Against L. M. Maple

The jury found for the plaintiff, Roy Hartwell, in the suit tried in the circuit court Tuesday and Wednesday, when the plaintiff was awarded \$3.00 judgment against the defendant, Rue Miller. The case was given over to the jury Wednesday afternoon and the twelve men had considerable trouble in reaching a verdict, reporting after eight o'clock last night.

The complaint was based on a farm contract between the two, in which the plaintiff maintained that the defendant discharged him before the expiration of a contract.

Lizzie Maple, living in Posey township, is plaintiff in a divorce suit filed against Leroy M. Maple, in which the allegations are such that cannot be printed. The plaintiff alleges cruel and inhuman treatment on two charges, one in which Josephine Bryant, her 15 year old daughter by a former marriage, is mentioned as having been accused by the husband of an indecent act. They were married, according to the complaint, in February, 1920, and separated in January of this year.

The jury will be used for the last time this term of court on Friday, when the suit of Charles V. Carr against Walker township, is scheduled for trial. The complaint is for alleged damages from the township trustee, for sheep killed by dogs, and the demand is \$100 from the township dog fund.

The action has been on file here for some time, and it is stated that the trustee and the plaintiff do not agree on the amount that should be paid. It is understood that two disinterested persons were appointed by the trustee to place an appraisal on the loss, but the trustee has deemed the amount too high.

The last day of the February term of court is on Saturday, which will end up several minor cases, and next week will be devoted to arranging the issues for the opening of the May term, which will begin on May 1.

Dr. William B. Laughlin Built First House and School Here

Pioneer Who Suggested Name For County and Donated Land on Which Rushville Was Built, Lies in Unmarked and Neglected Grave in "Lower" Grave Yard. Also Erected First Academy and Mill.

The following article is the first of a series regarding the early history of Rush County, which will be published in the Daily Republican between now and the Rush county centennial celebration in June. They will deal with various stages of the early development of the county and were written at the request and suggestion of the publicity committee for the centennial.—Editor's Note.

By CLAUDE CAMBERN

William B. Laughlin was born in Washington County, Pennsylvania. He was a graduate of Jefferson College where he studied medicine, law and surveying. He came to Indiana in 1816 and located at Brookville, Franklin County, where he taught school and was elected Probate Judge. He was a member of the Legislature that met at Corydon, then the capital of the State, in

LONGEST BALLOT IS ABOUT READY

Will be Delivered in Few Days and Many Will be Sent to Absent Voters Who have Applied

ACTIVITY MORE APPARENT

Interest Greater in Republican Senatorial and Congressional Race Than in County Ticket

The longest ballot ever presented to the voters of Rush county is now being printed and will be off the presses in a few days, ready for sending to absent voters. The usual number of sample ballots will be printed for posting and for the use of voters who wish to familiarize themselves with the names of the candidates.

Activity among the candidates is becoming more apparent as the primary election, which will be held Tuesday, May 2, draws near. There are few contests for county office which are attracting any attention, and the chief interest in the primary seems to center in how the county will vote in the contest for United States senator on the republican ticket, and whether Richard N. Elliott, republican congressman from the sixth district, will be renominated over his three opponents.

The opinion prevails that Rep. Elliott will carry the county, although all three candidates opposed to him have campaigned in the county. Ralph Test of Henry county having made a special effort in this county by frequent visits here.

Walter McConaha of Richmond, who wants the republican nomination for congress, has been here once, and Charles O. Williams of Richmond has also visited the county once. Mr. McConaha has been state senator for two terms from Wayne county and is an implement dealer and farmer. Mr. Williams is superintendent of schools in Wayne county and has been on the state board of education.

The greatest interest lies in the senatorial race, however, because of its uncertainty. The friends of Albert J. Beveridge were claiming early in the campaign that he would carry the county by a large majority and they still assert that he will have the most votes when they are all counted, but the opinion prevails in some quarters that the New campaign has made headway in Rush county in the last few weeks.

There is believed to be more interest

\$22 in Bills Whipped From Woman's Purse by Strong Gale

Kendallville, Ind., April 20.—Twenty-two dollars in bills were whipped out of Mrs. John Libey's purse by a gale here last night and scattered in the winds. Mrs. Libey was attempting to buffet the gale going home. Windows were broken, trees uprooted, electric lines and telephone poles blown over, and traction trolley wires were torn to the ground. No casualties were reported.

NEW REFORMATORY TO COST 2 MILLION

It Will be the Last Word in a Penal Institution of this Character, Governor Announces.

STATE HAS \$900,000 ON HANDS

Indianapolis, Ind., April 20.—Indiana will spend two million dollars to build the new state reformatory near Pendleton, Governor McCray announced here today.

Plans and specifications for the building will be ready next Tuesday, he said. They will be subject to the approval of the board of trustees of the reformatory.

This will be the last word in a reformatory, Governor McCray said. "We plan to make it the best in the country."

The reformatory relocation commission which was appointed to find a new location for the reformatory which is now located at Jeffersonville and purchased by Colgate and Company, held its final meeting late yesterday.

The ground on which the new institution will be erected cost \$143,000. The state now has \$900,000 on hands, Governor McCray stated, and the balance must be appropriated at the next session of the legislature.

1800 SOLDIERS ARE BURIED IN THE RUINS

War Material Explodes at Salonika, Killing Hundreds of Citizens Also and Causing Panic

ONE SHELL STRIKES CHURCH

London, April 20.—A terrific explosion occurred among war material at Salonik, according to News Agency dispatch from Athens today.

Eighteen hundred soldiers are reported to have been buried among the ruins of a barracks. Hundreds of civilians in the vicinity have been killed, according to reports and panic ensued.

The explosion occurred at noon Wednesday. It was dinner hour for the troops. The barracks in which they were eating collapsed following the blast and many were killed, according to reports.

One shell, thousands of which flew in all directions following the first explosion, burst after hitting a church. Hundreds of persons, mainly children, were said to have been buried.

Part of the town where the explosion occurred is in ruins.

TWO UP BEFORE THE MAYOR

Lawrence Pea Fined and Jesse Sorrell Plead Not Guilty

Lawrence Pea was arrested last night by Patrolmen Nicholson and Havens on a charge of intoxication and placed in jail, and this morning when arraigned before Mayor Thomas, he pleaded guilty and was fined \$1 and costs, which was stayed.

An affidavit also was filed by Pea against Jesse Sorrell, in which he charged him with vehicle taking, and Sorrell pleaded not guilty this morning before the mayor, and was released on \$100 bond. The affidavit also implicated another person, who was not arrested.

UNIONS IN DRIVE ON PENNSY FIELD

Organize Connerville Coke Region in Ten Days in Order Sent to Organizers

SEE WAY TO WIN THE STRIKE

Congress to Investigate Action of Federal Judge in Denying "Papers" to Strikers

By JOHN NIMICK

(U. P. Staff Correspondent)

Connerville, Penna., April 20.—One hundred per cent tie-up of the great Connerville coke region in ten days was the order sent out today to forty field organizers.

Already eighty-five percent "down" the thirty-five mile stretch of the famous non union field resounded to the tramp of the union representatives and their passive but insistent pleas to strike.

"May first will find us victors or losers, conquerors or conquered. Organize the Connerville region in ten days and the strike is won," is the slogan adopted by union officials.

Mine operators alarmed at the rapid growth of unionism which has swept the region like a new style of clothing were reported seeking an injunction to check the non union walkout.

Washington, April 20.—The House labor committee now studying the coal strike situation will investigate the alleged action of Federal Judge Charles P. Orr of Pittsburgh, in denying citizenship papers to miners because they were on strike, Chairman Nolan said today.

Representatives of the United Mine Workers in Pennsylvania or the individual miners who come under Orr's alleged ban, will appear before the committee Monday or Tuesday.

Nolan has publicly stated that if Judge Orr's alleged unfair action was borne out by facts presented to the labor committee, he would not hesitate to introduce a resolution in the House asking for Orr's impeachment.

The labor committee today was to hear representatives of the federal trade commission revenue department and the interstate commerce commission on the bill, by Representative Bland, Ind., under which the government could secure complete information now denied it, regarding all phases of the coal mining industry.

FOR GOVERNMENT CONTROL

M. P. Gaskill Would Prevent Profiteering in Coal Distribution

(By United Press)

Washington, April 20.—Government control of mining and distribution of coal was recommended to congress today by Milton P. Gaskill to prevent profiteering in the industry and to keep prices at a reasonable level.

Appearing before the house labor committee, Gaskill urged passage of recommendations under which the government would be a third party to a fourth agreement between coal operators and miners, regulating the production of coal. The agreement would be enforced by the nation's police power, Gaskill said.

Gaskill declared that "bogus independent operators" and "fake" sales are mostly responsible for exorbitant prices of coal to customers.

FIRST BASEBALL VICTIM

Kendallville, Ind., April 20.—Baseball claimed its first victim of the season in northern Indiana late last night. Oscar, eight year old son of Charles Smith of Wawaka, eight miles west of here, died from injuries received last Sunday when he was struck in the temple by a batted ball while watching the game from the side line.

Mrs. Linton Tells How Helpful
Lydia E. Pinkham's Vegetable
Compound is at This Period

Denver, Colorado.—"I have taken Lydia E. Pinkham's Vegetable Compound for seven years and I cannot tell you the good it has done me. It is good for young and old and I always keep a bottle of it in the house, for I am at that time of life when it calls for Lydia E. Pinkham's help. My husband saw your ad. in the papers and said 'You have taken everything you can think of, now I want you to take Lydia E. Pinkham's Vegetable Compound.' So I let him get it, and I soon felt better and he told me 'I want you to take about six bottles.' So I did and I keep house and do all my own work and work out by the day and feel fine now. I tell every one about the Vegetable Compound, for so many of my friends thought I would not get well." Mrs. R. J. LINTON, 1850 West 33d Avenue, Denver, Colorado.

After reading letters like the above, and we are constantly publishing them, why should any woman hesitate to take Lydia E. Pinkham's Vegetable Compound if she is in need of help? It brings relief where other medicines fail.

Pensions of The Past

Since there has been much criticism of congress for not promptly passing soldiers' bonus legislation, it might be well to look back on the past history of the soldier bonus and pension. Senator Bert M. Fernald, who was in charge of the bill recently passed unanimously by the senate appropriating \$17,000,000 for the construction of more hospitals for disabled service men, prepared some statistics of what the United States has done for its soldiers in the World War as compared with what was done in former wars, and with what other governments have done for their veterans, that should be brought to the attention of every person who thinks this country has been negligent in that respect.

Outside of Australia and New Zealand, no government that was in any way connected with the late war has paid anything like what the United States has paid her soldiers. Canada alone paid her soldiers \$33 per month. The United States paid her soldiers \$33 per month. Great Britain paid her soldiers but \$11.40 per month. Germany paid her soldiers \$3 per month. France, Austria-Hungary, Italy and Japan paid their soldiers less than \$2 per month. So Senators may see that in comparison with what other Governments have paid, the United States has been exceedingly generous.

No soldier of the Revolutionary War received a pension, for over 40 years after the close of the war, of more than \$5 per month, and that

only in case of disability to such an extent as to prevent his performing manual labor.
No soldier who served in the war for independence was allowed a pension for any reason except for injuries or disability incurred in the service, for 42 years.
No soldier of the war of 1812 was pensioned for any cause, except for disability incurred in service, until 60 years after the war.
No widow of the War of 1912 received a pension until the act of 1816 and then only \$4 per month.
No soldier of the Mexican War received a pension, except such as were wounded or disabled in the service, until 40 years after the close of the war.
No soldier of the Civil War who was not injured or disabled by his military service received any pension from the Government until the act of 1890, 25 years after the close.

Those totally disabled received only \$8 per month in case of privates, and only \$30 per month in case of lieutenant colonels and those of higher rank.

No widow of a Civil War soldier was granted a pension until 25 years after the close of the war, and then only upon proof of the soldier's death being of service origin.

At the close of this fiscal year we will have expended during this 12-month period for the benefit of the soldier \$138,000,000, twice as much as was ever expended before in aid of the soldiers of any war.

Bright Light Kerosene

"Its Just the Kerosene You Want."

The Western Oil Refining Company give just as much care and attention to the making of its high grade Bright Light Kerosene as it does to its fine quality Gasoline.

For your lamps, tractors and cook stoves, you will find Bright Light a wonderful fuel, because it is free from all impurities and burns uniform to the last drop.

It will not emit any odor, and it burns without leaving a carbon deposit to clog the wick or burner.

Bright Light Kerosene has no superior fuel to compete with when used for your tractors, oil stoves, lamps and lanterns.

We carry a large storage at Rushville at all times and we deliver to you as needed.

This is a premium quality Kerosene, but is sold without a premium price.

MEMBER OF TRACK TEAM

Howard Kendall, a student at Mi-
ami University at Oxford, O., and
son of Mr. and Mrs. M. M. Kendall
of Glenwood, has been selected as
a member of the track and field squad
of that college and will participate
in the dual meet Saturday at Lex-
ington, Kentucky, meeting the uni-
versity of that city. The Glenwood
student is entered as a runner.

JOHN DAVIS PLACES SECOND AT EARLHAM

Rushville Boy Scores 17 Points For
Freshmen Team in Interclass
Track and Field Meet

RANKED NEXT TO CAPTAIN

John Davis, a freshman at Earl-
ham college, Richmond, the son of
Mr. and Mrs. George Davis of this
city, ranked second place in individ-
ual points in an interclass track
and field meet last Saturday, when
the Freshmen team finished second
in the meet, according to word re-
ceived here. The seniors, led by
Captain Ivey, won the meet with 62
points and the freshmen ranked next
with 44 points. Ivey was the high
point man with 28 and Davis was
next with 17.

The following from a Richmond
paper, concerns the local boy, who
figured high in athletics in the
Rushville school:

Davis, a freshman, scored 17
points for his team. He placed sec-
ond to Ivey in four events, the 100,
high and broad jumps and 220
yard hurdle race, but turned the
tables on Ivey in the 220 yard dash
when he won handily. Davis' ser-
vices, however, will be lost to the
squad this spring through ineligi-
bility.

Sport Summary

New York—Babe Ruth declined
the invitation of the Giants to work
out on the Polo grounds daily with
McGraw's men. He will travel with
the Yankees.

Pittsburgh—Dave Robertson hold-
out Pirate outfielder, has been re-
leased unconditionally.

New York—Yankee club owners
award contract for the new \$2,000,-
000 stadium to the White Construc-
tion Company, New York.

Paris—Eugene Criqui, French
feather weight champion, announces
he will go to the United States and
force Johnny Kilbane to fight for
the world's title. Kilbane wants
\$60,000 and insists that he fight
his way through the contenders.

New York—Mrs. Molla Mallory,
national champion, and Miss Edith
Sigourney, Boston, will sail May 11,
to play in the British and French
National Tennis championships.

Chicago—Johnny Meyers, middle
weight champion, began training
here today under his old wrestling
partners, Arnold Minkley and Tom-
my Cannon. He will meet Heinie
Engle, Dubuque, April 27.

Chicago—Approval or disappro-
val of steel shafted golf clubs by
the Western Golf association will
result from a series of tests given
here today by Charles Evans, Jr.,
Jock Hutchinsop, Larry Ayton and
Allen Gowe.

Paris—After enthusiasm aroused
by John Kilbane's announcement
that he would fight Eugene Criqui
for the world's feather weight cham-
pionship, Paris nearly passed out
when the champion started talking
about 700,000 francs, a sum double
the receipts of the biggest French
bouts.

The Score Board

Yesterday's hero: Elmer Miller,
Yankee outfielder hit a homer, dou-
ble and two singles and scored three
runs, helping beat the Red Sox, six
to one, in the second game after the
Yanks had dropped the first, 5 to
3.

The Browns came to life and
mauled the Indians, 15 to 1. Sisler
and Williams stole one base each,
the "sizzler" making one theft or
home.

Rain and bad weather gave the
other tired athletes a rest.

The Sexton Missionary society
will hold an exchange Saturday
morning in the Fred A. Caldwell fur-
niture store.

Mattox Circle, No. 51, Ladies of the G. A. R., will meet in the assembly room of the court house Friday afternoon at two o'clock. All the members are urged to be present.

Patrons and friends of the Glenwood school are invited to the pitch-in dinner to be held Friday at noon in the school building, in celebration of the closing day of the school.

Miss Vivian Cupp entertained with a six o'clock dinner party at her home in West Market street, last evening. Among the guests were Mrs. Herbert Thorpe and son Raymond and Edgar Fleener of Connersville.

The Industrial club held an all day meeting Wednesday at the home of Mrs. John Sparks in North Arthur street. At the noon hour a beautiful pitch-in dinner was enjoyed and the day was spent in sewing.

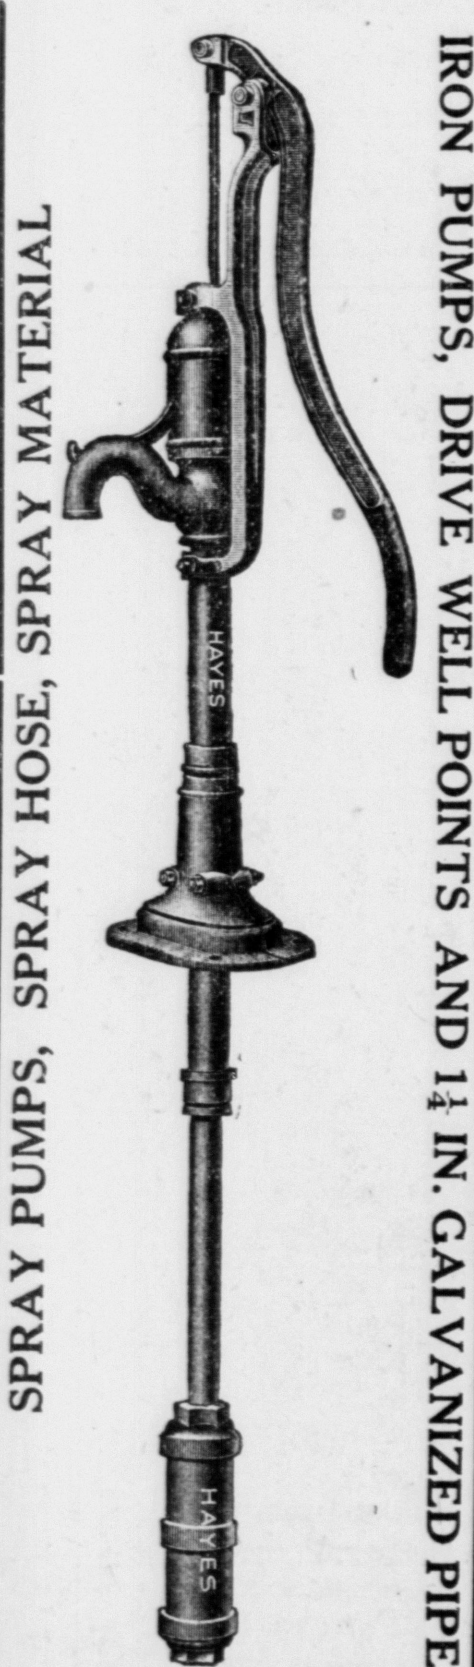

The Loyal Women's class of the First Presbyterian church has postponed the class meeting from Friday night to Monday night and at that time the meeting will be held at the home of Mrs. John Spencer in North Harrison street.

The Dixie Highway college orchestra furnished splendid music for the dinner-dance given at the Social Club rooms Wednesday evening.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action. If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime. Thousands take them every night just to keep right. Try them. 15c and 30c.

Gunn Haydon

ing. Approximately forty couples enjoyed the evening. Mrs. Kennard Allen's and Mrs. Chase Mauzy's divisions had charge of the affair.

Martha Poe chapter No. 143, O. E. S. will have a pitch-in supper at 6:30 o'clock Friday evening, after which degree work will be conferred on a class of candidates. Members of the Milroy chapter will be guests of the local chapter for the evening.

The Dixie Highway college orchestra, which will be with the Indiana university glee club in a concert at the Princess theatre next Monday night, will play at a dance to be given at the Modern Woodmen hall under the auspices of the local post of the American Legion following the concert.

Mrs. Fred Arbuckle was hostess to the members of the Missionary Society of the First Baptist church Wednesday afternoon at her home in West Second street. During the business session the following officers were elected: Mrs. Fred Arbuckle, president; Mrs. Charles Casey, treasurer; Mrs. Dalton Powell, secretary. A special program was given following the business meeting and during the social hour dainty refreshments were served by the hostess and her assistants, Mrs. Clyde Negro and Mrs. Dalton Powell.

Miss Gleda Houghton of Connersville will present her pupil, Miss Edna Creamer, in a public recital at the Christian church in Glenwood Wednesday evening, April 26. Her program will consist of costume readings, monologues, juvenile impersonations and pianologues. L. Maurice Lucas, Mrs. C. E. Walden and Mrs. Frances Batt Wallace will furnish vocal selections and an orchestra will provide instrumental music. Mrs. E. A. Ransdell will be the accompanist. The recital is to be given under the sponsorship of the Women's Missionary Society of the church.

Miss Esther Wagoner, daughter of Mr. and Mrs. Sam Wagoner of this city, and Herschel Newhouse, son of Mr. and Mrs. Alva Newhouse, living north of the city, were united in marriage Saturday afternoon at the home of the Rev. John F. Edward, pastor of the Methodist church in Newcastle. The bride is a graduate of the local high school and for the past year has been employed as stenographer by B. F. Miller. The bridegroom is a prominent young farmer living north of the city. Mr. and Mrs. Newhouse will reside with his parents for the present.

The Pythian Sisters of the ninth district held a convention at the K. of P. hall in Connersville today. Between one hundred and fifty and two hundred guests were present and the forenoon was devoted to registration of delegates. At the noon hour lunch was served in the lower auditorium of the First Methodist church and at 1:30 this afternoon the meeting opened with Mrs. Ida Neal, of Aurora, Ind., the district deputy, and Mrs. Harriet Brown, of Dana, Ind., grand chief of the ninth district, presiding. This evening the Connersville staff will exemplify the work for a group of candidates. Several members of the local lodge attended the convention today.

FREE STATERS BEAT OFF REBEL ATTACKS

Town Hall, Telephone Exchange and Government Patrols Objectives In Dublin Fighting

FEW CASUALTIES REPORTED

Dublin, April 20.—Rebel assaults upon the Free State headquarters, the town hall, the telephone exchange and upon provisional government patrols in Dublin early today were beaten off, after heavy exchanges of rifle fire. Volleys of rifle fire were exchanged between rebel bands and rifle-men in an armored lorry filled with Free State troops at O'Connell bridge in the very center of the Irish capital. The car was riddled with bullets and four Free State troopers wounded. Free State headquarters in Upper Merrion street were subjected to simultaneous attacks from the front and rear. The city hall was attacked by mu-

timeers, but little damage was done to the building and there were no casualties in heavy exchanges of rifle fire.

The telephone exchange was the principal objective of the insurgents, but they found it heavily guarded by Free Staters who beat them off with the loss of one man who was wounded.

A police patrol in Grafton street was fired upon from the roofs on either side. Caught in the ambush the patrol miraculously escaped without loss.

BALL PLAYERS ROBBED

Indianapolis, Ind., April 20.—Six players of the Kansas City Blues were robbed of \$250 in money and jewelry as they slept in a Pullman car enroute from Columbus, O., to Indianapolis last night.

WABASH STILL RISING

Vincennes, Ind., April 20.—Highway traffic west of Vincennes was blocked today when the Wabash river continued to rise slowly overflowing the roads. There was a rise of four tenths of a foot here since yesterday afternoon.

Dr. William B. Laughlin Built First House and School Here

Continued from Page One

(some 25 acres) on which the town was located by the commissioners was donated by him and at his suggestion the town was called Rushville.

He practiced medicine in Franklin and Rush Counties. He built the first house in Rushville near a fine, large spring at the foot of Morgan street. It was a large double log house with a hall in the middle. It was this spring that caused the doctor to locate his residence where he did and which led to the location of the town. In the early days of the county at or near a spring was a favorite location for a residence, and this historic spring is still running but is choked with mud and debris. This ancient landmark should be reclaimed and beautified.

He built the first school building in Rushville, and he taught this school himself. (It was located on the lot where the Red Mens' building now stands), and at his own expense he built an Academy for advanced pupils which was the first of its kind in the county. "The course of study embraced many of the higher branches of learning and was calculated to prepare the student for entrance to college." This Academy was built in 1828 and was located on the lot owned by Mrs. Sarah Arnold, wife of Dr. John Arnold, on Second street.

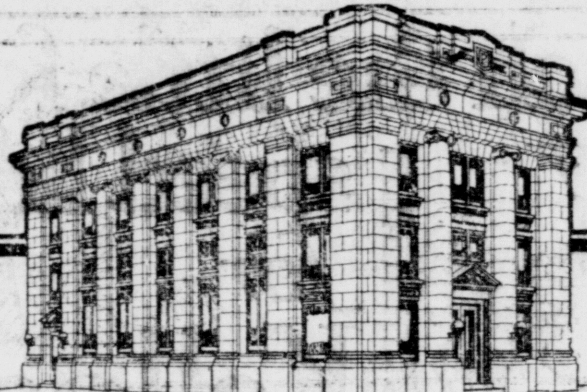

He built the first mill on Flat Rock and the dam stood where the south bridge now stands.

Dr. Laughlin died January 1, 1836, and was buried in the old "lower" graveyard. His wife, Ruth, is also buried there and her monument is in a good state of preservation, but Dr. Laughlin's monument which stood there up to a few years ago, has disappeared and no trace of it can be found. This is another historic spot that should be cared for and beautified. The old graveyard stands on a bluff overlooking Flat Rock and could be easily made a beauty spot instead of the desolate, neglected spot it is. Many of our best and most prominent citizens are buried there and several soldiers of the Civil War are also here, but

"Their swords are rust,
Their bones are dust,
Their souls are with God, I trust."
Dr. Laughlin is entitled to be called the first and most prominent citizen of Rushville and of Rush county, because.

- 1st. He helped create the county in the Legislature.
- 2nd. He named it.
- 3rd. He surveyed it.
- 4th. He built the first house in the town.
- 5th. He named the town.
- 6th. He located the town.
- 7th. He gave the land for the town.
- 8th. He built the first school house.
- 9th. He taught the first school.
- 10th. He built the first Academy.
- 11th. He built the first mill.

Watch the little folks speed home for Kellogg's Corn Flakes

"Mudder, I always wins the race when I carry home Kellogg's Corn Flakes. I can't hardly wait till I have some quick, mudder!"

It's great to see child-enthusiasm for Kellogg's; great to see every one in the family enjoy their crisp crunchiness and wonderful flavor! To sit down before a heaping bowlful of these joyous oven-browned "sweet-hearts-of-the-corn" and some milk or cream—and fresh fruit, if it's handy—is just about the very last word in appetizing appeal! And, your good taste will prove that!

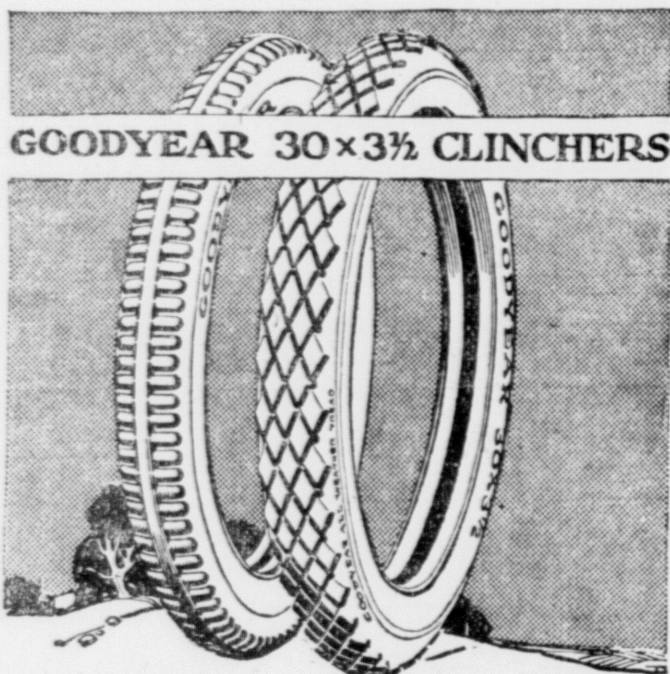

Kellogg's Corn Flakes ought to be superior—they are the original Corn Flakes! Kellogg's are never tough or leathery; never hard to eat; never a disappointment!

Be certain to get Kellogg's—the delicious kind of Corn Flakes in the RED and GREEN package—because none are genuine without the signature of W. K. Kellogg, the originator of Toasted Corn Flakes.

NON-EGRESSION PACT PREDICTED

Lloyd George Says Cornerstone of European Peace and Reconstruction Has Been Laid

GENOA CONFERENCE PRAISED

Proposed Treaty Would be to Europe What Four-Power Pact is to the Pacific

(By United Press)

Genoa, April 20.—"The success of the Genoa conference is assured," Premier Lloyd George declared today, addressing the press of the world at San Georgeo palace.

"The cornerstone of European peace and reconstruction has been laid," he said. "Both the Russian and German obstacles will be overcome," the premier stated. "Probably they will be settled today."

Lloyd George announced the conference will take up consideration of a pan-European pact of non-egression. Nations will guarantee not to attack each other without lengthy consideration of their difficulties.

The non-egression pact previously suggested by Lloyd George would be for Europe what the four-power treaty signed at Washington is to the Pacific.

Referring to the Russian-German treaty signed at Rapallo, Lloyd George says: "We have reasons to believe that Germany will drop from this treaty. Had any other nation represented here so signed behind our backs, it would have broken up the conference."

Lloyd George was most optimistic in his predictions. "We are overcoming all our difficulties," he repeated. "We are having the greatest success."

The premier declared his confidence that the other difficulty regarding Russia would be moved with receipt of the Soviet reply today. The Russian delegation delivered this note, replying to the allied expert proposal this afternoon, it was announced at the palace.

"I am confident that this conference will end with all nations entering into a non-egression pact," Lloyd George declared. "Otherwise the conference will be but a failure." He indicated he did not believe Russia and Germany wanted directly to wreck the conference.

TWO OF RUSHVILLE DENTISTS IN CLINICS

Drs. F. R. McClanahan and F. M. Sparks Have Part on Program of Eastern Indiana Association

MEETING AT CONNERSVILLE

Dentists of four counties, Wayne, Union, Fayette and Rush, met in annual session Wednesday at the McParlan hotel in Connerville, and forty members of the profession attended the afternoon and night session, with a banquet at night in honor of Dr. J. H. Morrison, dean of dentists in this section of the state. Dr. Morrison, however, was ill and could not be present at the banquet.

Drs. Frank M. Sparks, F. R. McClanahan and P. H. Chadwick of this city attended the sessions, and Drs. Sparks and McClanahan conducted a clinic at the afternoon session.

The officers who are advanced from year to year, will be headed this year by Dr. H. E. Hinshaw, Richmond, as president; Dr. G. E. Stevenson, Liberty, president-elect; Dr. Chaffin of Richmond, secretary-treasurer.

The officers of the association will decide upon the next place for holding the annual convention. They met here a few years ago.

ORVILLE EDWARDS FINED \$5 AND COSTS

Arlington Veterinarian Pleads Guilty to Driving Automobile Without License

OTHER CASE COMPROMISED

Orville Edwards, Arlington veterinarian, who was in jail at Shelbyville since last Friday afternoon on a petit larceny charge, preferred by Dick Walters, a garage owner at Morristown, was arraigned this morning in the mayor's court at Shelbyville, and compromised by pleading guilty to a charge of operating his automobile without a license, and his fine of \$5 and costs was stayed by his mother. Judgment was withheld in the petit larceny case.

The accused man was charged with taking a storage battery from the Morristown garage, which was valued at \$15.

The defendant had remained in jail upon default of \$500 bond, and he had previously requested for a jury trial, but when court convened this morning he effected a compromise by pleading guilty to the case involving a smaller penalty.

HELP TO ENTERTAIN I. U. CLUB IS SOUGHT

American Legion Wants Volunteers To House College Men Who Are Coming Monday

SPECIAL APPEAL TO ALUMNI

A plea for Indiana university alumni and other friends of the university to offer to help entertain members of the glee club and orchestra when they visit Rushville next Monday, was made today by Rush Post No. 150 of the American Legion, under the auspices of which a concert will be given by the club next Monday evening at the Princess theater.

By entertaining the members of the club in Rushville homes over night, the post can save a large expense and thus increase their profit on the concert. Persons who are willing to have members of the club as guests are urged to notify Ivan Coyne or George Todd at once.

If a sufficient number of people have not volunteered rooms for the men in the club within the next few days, the Legion will call on local alumni of the university to come to their rescue. It is believed, however, that the alumni and other friends of the university will gladly help the post in bringing the club here, once they understand the situation.

"CITIZENSHIP WEEK" OBSERVED AT MILROY

High School Hears Series of Addresses This Week by Rushville and Greensburg Men

CITIZENS ALSO ATTEND

"Citizenship Week" has been observed in the Milroy schools this week by means of a series of addresses bearing on the general subject. These addresses have been attended also by citizens of the community.

The first address of the week was given by the Rev. C. S. Black on the subject, "Our Debt to the Past." On Tuesday John A. Tittsworth spoke on "Legal Procedure;" Wednesday the subject, "Sidelights on the Early History of Rush County," was discussed by Miles S. Cox and this morning Rollin Turner of Greensburg spoke on "Law Enforcement." The last address of the week will be given Friday by William A. Young on "A Citizen's Obligation to the Present and Future."

This is the first time a program of this nature has been attempted in the Milroy schools, but from the expression of interest from school pupils and citizens who have attended, the idea may become a regular occurrence.

PLAINTIFF GIVEN JUDGMENT OF \$3

Jury Finds For Roy Hartwell in Suit for \$350 Damages Against Rue Miller

COMPLAINT FOR DIVORCE

Lizzie Maple of Posey Township Alleges Cruel Treatment in Suit Against L. M. Maple

The jury found for the plaintiff, Roy Hartwell, in the suit tried in the circuit court Tuesday and Wednesday, when the plaintiff was awarded \$3.00 judgment against the defendant, Rue Miller. The case was given over to the jury Wednesday afternoon and the twelve men had considerable trouble in reaching a verdict, reporting after eight o'clock last night.

The complaint was based on a farm contract between the two, in which the plaintiff maintained that the defendant discharged him before the expiration of a contract.

Lizzie Maple, living in Posey township, is plaintiff in a divorce suit filed against Leroy M. Maple, in which the allegations are such that cannot be printed. The plaintiff alleges cruel and inhuman treatment on two charges, one in which Josephine Bryant, her 15 year old daughter by a former marriage, is mentioned as having been accused by the husband of an indecent act. They were married, according to the complaint, in February, 1920, and separated in January of this year.

The jury will be used for the last time this term of court on Friday, when the suit of Charles V. Carr against Walker township, is scheduled for trial. The complaint is for alleged damages from the township trustee, for sheep killed by dogs, and the demand is \$100 from the township dog fund.

The action has been on file here for some time, and it is stated that the trustee and the plaintiff do not agree on the amount that should be paid. It is understood that two disinterested persons were appointed by the trustee to place an appraisal on the loss, but the trustee has deemed the amount too high.

The last day of the February term of court is on Saturday, which will end up several minor cases, and next week will be devoted to arranging the issues for the opening of the May term, which will begin on May 1.

Dr. William B. Laughlin Built First House and School Here

Pioneer Who Suggested Name For County and Donated Land on Which Rushville Was Built, Lies in Unmarked and Neglected Grave in "Lower" Grave Yard. Also Erected First Academy and Mill.

The following article is the first of a series regarding the early history of Rush County, which will be published in the Daily Republican between now and the Rush county centennial celebration in June. They will deal with various stages of the early development of the county and were written at the request and suggestion of the publicity committee for the centennial.—Editor's Note.

By CLAUDE CAMBERN

William B. Laughlin was born in Washington County, Pennsylvania. He was a graduate of Jefferson College where he studied medicine, law and surveying. He came to Indiana in 1816 and located at Brookville, Franklin County, where he taught school and was elected Probate Judge. He was a member of the Legislature that met at Corydon, then the capital of the State, in

LONGEST BALLOT IS ABOUT READY

Will be Delivered in Few Days and Many Will be Sent to Absent Voters Who have Applied

ACTIVITY MORE APPARENT

Interest Greater in Republican Senatorial and Congressional Race Than in County Ticket

The longest ballot ever presented to the voters of Rush county is now being printed and will be off the presses in a few days, ready for sending to absent voters. The usual number of sample ballots will be printed for posting and for the use of voters who wish to familiarize themselves with the names of the candidates.

Activity among the candidates is becoming more apparent as the primary election, which will be held Tuesday, May 2, draws near. There are few contests for county office which are attracting any attention, and the chief interest in the primary seems to center in how the county will vote in the contest for United States senator on the republican ticket, and whether Richard N. Elliott, republican congressman from the sixth district, will be renominated over his three opponents.

The opinion prevails that Rep. Elliott will carry the county, although all three candidates opposed to him have campaigned in the county, Ralph Test of Henry county having made a special effort in this county by frequent visits here.

Walter McConaha of Richmond, who wants the republican nomination for congress, has been here once, and Charles O. Williams of Richmond has also visited the county once. Mr. McConaha has been state senator for two terms from Wayne county and is an implement dealer and farmer. Mr. Williams is superintendent of schools in Wayne county and has been on the state board of education.

The greatest interest lies in the senatorial race, however, because of its uncertainty. The friends of Albert J. Beveridge were claiming early in the campaign that he would carry the county by a large majority and they still assert that he will have the most votes when they are all counted, but the opinion prevails in some quarters that the New campaign has made headway in Rush county in the last few weeks.

There is believed to be more interest. Continued on Page Three

\$22 in Bills Whipped From Woman's Purse by Strong Gale

Kendallville, Ind., April 20.—Twenty-two dollars in bills were whipped out of Mrs. John Libey's purse by a gale here last night and scattered in the winds. Mrs. Libey was attempting to buffet the gale going home. Windows were broken, trees uprooted, electric lines and telephone poles blown over and traction trolley wires were torn to the ground. No casualties were reported.

NEW REFORMATORY TO COST 2 MILLION

It Will be the Last Word in a Penal Institution of this Character, Governor Announces.

STATE HAS \$900,000 ON HANDS

Indianapolis, Ind., April 20.—Indiana will spend two million dollars to build the new state reformatory near Pendleton, Governor McCray announced here today.

Plans and specifications for the building will be ready next Tuesday, he said. They will be subject to the approval of the board of trustees of the reformatory.

This will be the last word in a reformatory, Governor McCray said. "We plan to make it the best in the country."

The reformatory relocation commission which was appointed to find a new location for the reformatory which is now located at Jeffersonville and purchased by Colgate and Company, held its final meeting late yesterday.

The ground on which the new institution will be erected cost \$143,000. The state now has \$900,000 on hands, Governor McCray stated, and the balance must be appropriated at the next session of the legislature.

1800 SOLDIERS ARE BURIED IN THE RUINS

War Material Explodes at Salonika, Killing Hundreds of Citizens Also and Causing Panic

ONE SHELL STRIKES CHURCH

London, April 20.—A terrific explosion occurred among war material at Salonik, according to News Agency dispatch from Athens today.

Eighteen hundred soldiers are reported to have been buried among the ruins of a barracks. Hundreds of civilians in the vicinity have been killed, according to reports and panic ensued.

The explosion occurred at noon Wednesday. It was dinner hour for the troops. The barracks in which they were eating collapsed following the blast and many were killed, according to reports.

One shell, thousands of which flew in all directions following the first explosion, burst after hitting a church. Hundreds of persons, mainly children, were said to have been buried.

Part of the town where the explosion occurred is in ruins.

TWO UP BEFORE THE MAYOR

Lawrence Pea Fined and Jesse Sorrell Plead Not Guilty

Lawrence Pea was arrested last night by Patrolmen Nicholson and Havens on a charge of intoxication and placed in jail, and this morning when arraigned before Mayor Thomas, he pleaded guilty and was fined \$1 and costs, which was stayed.

An affidavit also was filed by Pea against Jesse Sorrell, in which he charged him with vehicle taking, and Sorrell pleaded not guilty this morning before the mayor, and was released on \$100 bond. The affidavit also implicated another person, who was not arrested.

UNIONS IN DRIVE ON PENNSY FIELD

Organize Connerville Coke Region in Ten Days in Order Sent to Organizers

SEE WAY TO WIN THE STRIKE

Congress to Investigate Action of Federal Judge in Denying "Papers" to Strikers

By JOHN NIMICK

(U. P. Staff Correspondent)

Connerville, Penna., April 20.—One hundred per cent tie-up of the great Connerville coke region in ten days was the order sent out today to forty field organizers.

Already eighty-five percent "down" the thirty-five mile stretch of the famous non union field resounded to the tramp of the union representatives and their passive but insistent pleas to strike.

"May first will find us victors or losers, conquerors or conquered. Organize the Connerville region in ten days and the strike is won," is the slogan adopted by union officials.

Mine operators alarmed at the rapid growth of unionism which has swept the region like a new style of clothing were reported seeking an injunction to check the non union walkout.

Washington, April 20.—The House labor committee now studying the coal strike situation will investigate the alleged action of Federal Judge Charles P. Orr of Pittsburgh, in denying citizenship papers to miners because they were on strike, Chairman Nolan said today.

Representatives of the United Mine Workers in Pennsylvania or the individual miners who come under Orr's alleged ban, will appear before the committee Monday or Tuesday.

Nolan has publicly stated that if Judge Orr's alleged unfair action was borne out by facts presented to the labor committee, he would not hesitate to introduce a resolution in the House asking for Orr's impeachment.

The labor committee today was to hear representatives of the federal trade commission revenue department and the interstate commerce commission on the bill, by Representative Bland, Ind., under which the government could secure complete information now denied it, regarding all phases of the coal mining industry.

FOR GOVERNMENT CONTROL

M. P. Gaskill Would Prevent Profiteering in Coal Distribution

(By United Press)

Washington, April 20.—Government control of mining and distribution of coal was recommended to congress today by Milton P. Gaskill to prevent profiteering in the industry and to keep prices at a reasonable level.

Appearing before the house labor committee, Gaskill urged passage of recommendations under which the government would be a third party to a fourth agreement between coal operators and miners, regulating the production of coal. The agreement would be enforced by the nation's police power, Gaskill said.

Gaskill declared that "bogus independent operators" and "fake" sales are mostly responsible for exorbitant prices of coal to customers.

FIRST BASEBALL VICTIM

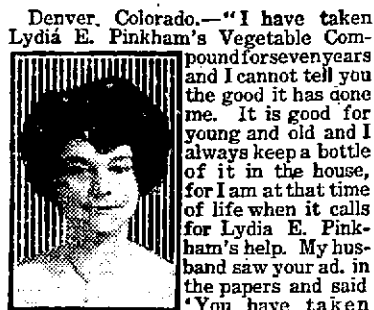

Kendallville, Ind., April 20.—Baseball claimed its first victim of the season in northern Indiana late last night. Oscar, eight year old son of Charles Smith of Wawaka, eight miles west of here, died from injuries received last Sunday when he was struck in the temple by a batted ball while watching the game from the side line.

"BABY" CYCLONE; 1 DEAD

Chicago, April 20.—One school girl was killed, two persons fatally hurt and fifty injured when a "baby" cyclone swept Chicago's "loop" district last night.

Denver, Colorado.—"I have taken Lydia E. Pinkham's Vegetable Compound for seven years and I cannot tell you the good it has done me. It is good for young and old and I always keep a bottle of it in the house, for I am at that time of life when it calls for Lydia E. Pinkham's help. My husband saw your ad. in the papers and said 'You have taken everything you can think of, now I want you to take Lydia E. Pinkham's Vegetable Compound!' So I let him get it, and I soon felt better and he told me 'I want you to take about six bottles.' So I did and I keep house and do all my own work and work out by the day and feel fine now. I tell every one about the Vegetable Compound, for so many of my friends thought I would not get well."—Mrs. R. J. LINTON, 1850 West 33d Avenue, Denver, Colorado.

After reading letters like the above, and we are constantly publishing them, why should any woman hesitate to take Lydia E. Pinkham's Vegetable Compound if she is in need of help? It brings relief where other medicines fail.

Pensions of The Past

Since there has been much criticism of congress for not promptly passing soldiers' bonus legislation, it might be well to look back on the past history of the soldier bonus and pension. Senator Bert M. Fernald, who was in charge of the bill recently passed unanimously by the senate appropriating \$17,000,000 for the construction of more hospitals for disabled service men, prepared some statistics of what the United States has done for its soldiers in the World War as compared with what was done in former wars, and with what other governments have done for their veterans, that should be brought to the attention of every person who thinks this country has been negligent in that respect.

Outside of Australia and New Zealand, no government that was in any way connected with the late war has paid anything like what the United States has paid her soldiers. Canada alone paid her soldiers \$23 per month. The United States paid her soldiers \$33 per month. Great Britain paid her soldiers but \$11.40 per month. Germany paid her soldiers \$3 per month. France, Austria-Hungary, Italy and Japan paid their soldiers less than \$2 per month. So Senators may see that in comparison with what other Governments have paid, the United States has been exceedingly generous.

No soldier of the Revolutionary War received a pension, for over 40 years after the close of the war, of more than \$5 per month, and that

only in case of disability to such an extent as to prevent his performing manual labor.
No soldier who served in the war for independence was allowed a pension for any reason except for injuries or disability incurred in the service, for 42 years.
No soldier of the war of 1812 was pensioned for any cause, except for disability incurred in service, until 60 years after the war.
No widow of the War of 1912 received a pension until the act of 1816 and then only \$4 per month.
No soldier of the Mexican War received a pension, except such as were wounded or disabled in the service, until 40 years after the close of the war.
No soldier of the Civil War who was not injured or disabled by his military service received any pension from the Government until the act of 1890, 25 years after the close.

Those totally disabled received only \$8 per month in case of privates, and only \$30 per month in case of lieutenant colonels and those of higher rank.

No widow of a Civil War soldier was granted a pension until 25 years after the close of the war, and then only upon proof of the soldier's death being of service origin.

At the close of this fiscal year we will have expended during this 12-month period for the benefit of the soldiers \$438,000,000, twice as much as was ever expended before in aid of the soldiers of any war.

Bright Light Kerosene

"Its Just the Kerosene You Want."

The Western Oil Refining Company give just as much care and attention to the making of its high grade Bright Light Kerosene as it does to its fine quality Gasoline.

For your lamps, tractors and cook stoves, you will find Bright Light a wonderful fuel, because it is free from all impurities and burns uniform to the last drop.

It will not emit any odor, and it burns without leaving a carbon deposit to clog the wick or burner.

Bright Light Kerosene has no superior fuel to compete with when used for your tractors, oil stoves, lamps and lanterns.

We carry a large storage at Rushville at all times and we deliver to you as needed.

This is a premium quality Kerosene, but is sold without a premium price.

JOHN DAVIS PLACES SECOND AT EARLHAM

Rushville Boy Scores 17 Points For
Freshmen Team in Interclass
Track and Field Meet

RANKED NEXT TO CAPTAIN

John Davis, a freshman at Earl-
ham college, Richmond, the son of
Mr. and Mrs. George Davis of this
city, ranked second place in individ-
ual points in an interclass track
and field meet last Saturday, when
the Freshmen team finished second
in the meet, according to word re-
ceived here. The seniors, led by
Captain Ivey, won the meet with 62
points and the freshmen ranked next
with 44 points. Ivey was the high
point man with 28 and Davis was
next with 17.

The following from a Richmond
paper, concerns the local boy, who
figured high in athletics in the
Rushville school:

Davis, a freshman, scored 17
points for his team. He placed sec-
ond to Ivey in four events, the 100,
high and broad jumps and 220
yard hurdle race, but turned the
tables on Ivey in the 220 yard dash
when he won handily. Davis' ser-
vices, however, will be lost to the
squad this spring through ineligi-
bility.

Sport Summary

New York-Babe Ruth declined
the invitation of the Giants to work
out on the Polo grounds daily with
McGraw's men. He will travel with
the Yankees.

Pittsburgh-Dave Robertson hold-
out Pirate outfielder, has been re-
leased unconditionally.

New York-Yankee club owners
award contract for the new \$2,000-
000 stadium to the White Construc-
tion Company, New York.

Paris-Eugene Criqui, French
feather weight champion, announces
he will go to the United States and
face Johnny Kilbane to fight for
the world's title. Kilbane wants
\$60,000 and insists that he fight
his way through the contenders.

New York-Mrs. Molla Mallory,
national champion, and Miss Edith
Sigourney, Boston, will sail May 11,
to play in the British and French
National Tennis championships.

Chicago-Johnny Meyers, middle
weight champion, began training
here today under his old wrestling
partners, Arnold Minkley and Tom-
my Cannon. He will meet Heinie
Engle, Dubuque, April 27.

Chicago-Approval or disappor-
val of steel shafted gold clubs by
the Western Golf association will
result from a series of tests given
here today by Charles Evans, Jr.,
Jock Hutchinson, Larry Ayton and
Allen Gowe.

Paris-After enthusiasm aroused
by John Kilbane's announcement
that he would fight Eugene Criqui
for the world's feather weight cham-
pionship, Paris nearly passed out
when the champion started talking
about 700,000 francs, a sum double
the receipts of the biggest French
bouts.

The Score Board

Yesterday's hero: Elmer Miller,
Yankee outfielder hit a homer, dou-
ble and two singles and scored three
runs, helping beat the Red Sox, six
to one, in the second game after the
Yanks had dropped the first, 5 to 3.

The Browns came to life and
mauled the Indians, 15 to 1. Sisler
and Williams stole one base each,
the "sizzler" making one theft or
home.

Rain and bad weather gave the
other tired athletes a rest.

Mattox Circle, No. 51, Ladies of the G. A. R., will meet in the assembly room of the court house Friday afternoon at two o'clock. All the members are urged to be present.

Patrons and friends of the Glenwood school are invited to the pitch-in dinner to be held Friday at noon in the school building, in celebration of the closing day of the school.

Miss Vivian Cupp entertained with a six o'clock dinner party at her home in West Market street, last evening. Among the guests were Mrs. Herbert Thorpe and son Raymond and Edgar Fleener of Connersville.

The Industrial club held an all day meeting Wednesday at the home of Mrs. John Sparks in North Arthur street. At the noon hour a beautiful pitch-in dinner was enjoyed and the day was spent in sewing.

The Loyal Women's class of the First Presbyterian church has postponed the class meeting from Friday night to Monday night and at that time the meeting will be held at the home of Mrs. John Spencer in North Harrison street.

The Dixie Highway college orchestra furnished splendid music for the dinner-dance given at the Social Club rooms Wednesday evening.

Approximately forty couples enjoyed the evening. Mrs. Kennard Allen's and Mrs. Chase Manzy's divisions had charge of the affair.

Martha Poe chapter No. 143, O. E. S., will have a pitch-in supper at 6:30 o'clock Friday evening, after which degree work will be conferred on a class of candidates. Members of the Milroy chapter will be guests of the local chapter for the evening.

The Dixie Highway college orchestra, which will be with the Indiana university glee club in a concert at the Princess theater next Monday night, will play at a dance to be given at the Modern Woodmen hall under the auspices of the local post of the American Legion following the concert.

Mrs. Fred Arbuckle was hostess to the members of the Missionary Society of the First Baptist church Wednesday afternoon at her home in West Second street. During the business session the following officers were elected: Mrs. Fred Arbuckle, president; Mrs. Charles Casey, treasurer; Mrs. Dalton Powell, secretary. A special program was given following the business meeting and during the social hour dainty refreshments were served by the hostess and her assistants, Mrs. Clyde Nelro and Mrs. Dalton Powell.

Miss Gleda Houghton of Connersville will present her pupil, Miss Edna Creamer, in a public recital at the Christian church in Glenwood Wednesday evening, April 26. Her program will consist of costume readings, monologues, juvenile impersonations and piano solos. L. Maurice Lucas, Mrs. C. E. Walden and Mrs. Frances Batt Wallace will furnish vocal selections and an orchestra will provide instrumental music. Mrs. E. A. Ransdell will be the accompanist. The recital is to be given under the sponsorship of the Women's Missionary Society of the church.

Miss Esther Wagoner, daughter of Mr. and Mrs. Sam Wagoner of this city, and Herschel Newhouse, son of Mr. and Mrs. Alva Newhouse, living north of the city, were united in marriage Saturday afternoon at the home of the Rev. John F. Edward, pastor of the Methodist church in Newcastle. The bride is a graduate of the local high school and for the past year has been employed as stenographer by B. F. Miller. The bridegroom is a prominent young farmer living north of the city. Mr. and Mrs. Newhouse will reside with his parents for the present.

The Pythian Sisters of the ninth district held a convention at the K. of P. hall in Connersville today. Between one hundred and fifty and two hundred guests were present and the forenoon was devoted to registration of delegates. At the noon hour lunch was served in the lower auditorium of the First Methodist church and at 1:30 this afternoon the meeting opened with Mrs. Ida Neal, of Aurora, Ind., the district deputy, and Mrs. Harriet Brown, of Dana, Ind., grand chief of the ninth district, presiding.

This evening the Connersville staff will exemplify the work for a group of candidates. Several members of the local lodge attended the convention today.

FLOOD WATERS RECEDE

Indianapolis, Ind., April 20.—Indiana was recovering today from the most extensive flood it has experienced since 1913. Victims took stock of their loss and hundreds of families in upper river channels returned to homes from which they fled before the rising waters.

"The Passion Play as I Saw It" is Subject for an Illustrated Lecture

"The Passion Play as I Saw It" will be given by the Rev. L. E. Brown at the Main St. Christian church Sunday evening at 7:30. Some seventy "slides" will be used to illustrate it. Some of these were made from pictures taken at Oberamugau by the Rev. Mr. Brown at the time he witnessed this world renowned play. Mrs. Lucia Beher at the close will sing "The Holy City," which will be illustrated by some beautiful colored "slides." No admission fee will be charged.

FREE STATERS BEAT OFF REBEL ATTACKS

Town Hall, Telephone Exchange and Government Patrols Objectives in Dublin Fighting

FEW CASUALTIES REPORTED

Dublin, April 20.—Rebel assaults upon the Free State headquarters, the town hall, the telephone exchange and upon provisional government patrols in Dublin early today were beaten off, after heavy exchanges of rifle fire.

Volleys of rifle fire were exchanged between rebel bands and rifle-men in an armored lorry filled with Free State troops at O'Connell bridge in the very center of the Irish capital. The car was riddled with bullets and four Free State troopers wounded.

Free State headquarters in Upper Merrion street were subjected to simultaneous attacks from the front and rear. The city hall was attacked by mu-

teiners, but little damage was done to the building and there were no casualties in heavy exchanges of rifle fire.

The telephone exchange was the principal objective of the insurgents, but they found it heavily guarded by Free Staters who beat them off with the loss of one man who was wounded.

A police patrol in Grafton street was fired upon from the roofs on either side. Caught in the ambush the patrol miraculously escaped without loss.

BALL PLAYERS ROBBED

Indianapolis, Ind., April 20.—Six players of the Kansas City Blues were robbed of \$250 in money and jewelry as they slept in a Pullman car enroute from Columbus, O., to Indianapolis last night.

WABASH STILL RISING

Vincennes, Ind., April 20.—Highway traffic west of Vincennes was blocked today when the Wabash river continued to rise slowly overflowing the roads. There was a rise of four tenths of a foot here since yesterday afternoon.

Dr. William B. Laughlin Built First House and School Here

Continued from Page One

(some 25 acres) on which the town was located by the commissioners was donated by him, and at his suggestion the town was called Rushville.

He practiced medicine in Franklin and Rush Counties. He built the first house in Rushville near a fine, large spring at the foot of Morgan street. It was a large double log house with a hall in the middle. It was this spring that caused the doctor to locate his residence where he did and which led to the location of the town. In the early days of the county at or near a spring was a favorite location for a residence, and this historic spring is still running but is choked with mud and debris. This ancient landmark should be reclaimed and beautified.

He built the first school building in Rushville, and he taught this school himself. (It was located on the lot where the Red Men's building now stands), and at his own expense he built an Academy for advanced pupils which was the first of its kind in the county. "The course of study embraced many of the higher branches of learning and was calculated to prepare the student or entrance to college." This Academy was built in 1828 and was located on the lot owned by Mrs. Sarah Arnold, wife of Dr. John Arnold, on Second street.

He built the first mill on Flat Rock and the dam stood where the south bridge now stands.

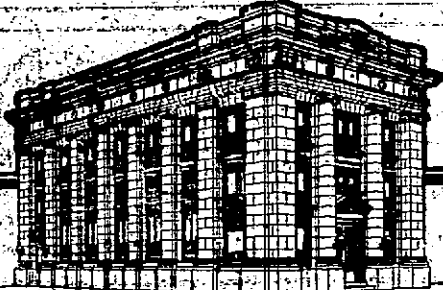

Dr. Laughlin died January 1, 1836, and was buried in the old "lower" graveyard. His wife, Ruth, is also buried there and her monument is in a good state of preservation, but Dr. Laughlin's monument which stood there up to a few years ago, has disappeared and no trace of it can be found. This is another historic spot that should be cared for and beautified. The old graveyard stands on a bluff overlooking Flat Rock and could be easily made a beauty spot instead of the desolate, neglected spot it is. Many of our best and most prominent citizens are buried there and several soldiers of the Civil War are also here, but

Their swords are rust,
Their bones are dust,
Their souls are with God, I trust."

Dr. Laughlin is entitled to be called the first and most prominent citizen of Rushville and of Rush county, because

- 1st. He helped create the county in the Legislature.
- 2nd. He named it.
- 3rd. He surveyed it.
- 4th. He built the first house in the town.
- 5th. He named the town.
- 6th. He located the town.
- 7th. He gave the land for the town.
- 8th. He built the first school house.
- 9th. He taught the first school.
- 10th. He built the first Academy.
- 11th. He built the first mill.

Watch the little folks speed home for Kellogg's Corn Flakes

"Mudder, I always wins the race when I carry home Kellogg's Corn Flakes. I can't hardly wait till I have some quick, mudder!"

It's great to see child-enthusiasm for Kellogg's; great to see every one in the family enjoy their crisp crunchiness and wonderful flavor! To sit down before a heaping bowlful of these joyous oven-browned "sweet-hearts-of-the-corn" and some milk or cream—and fresh fruit, if it's handy—is just about the very last word in appetizing appeal! And, your good taste will prove that!

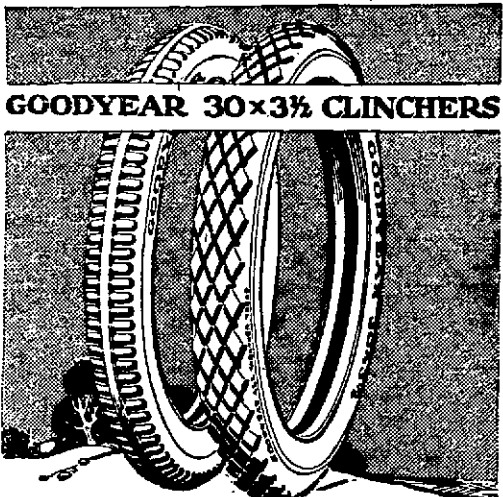

Kellogg's Corn Flakes ought to be superior—they are the original Corn Flakes! Kellogg's are never tough or leathery; never hard to eat; never a disappointment!

Be certain to get Kellogg's—the delicious kind of Corn Flakes in the RED and GREEN package—because none are genuine without the signature of W. K. Kellogg, the originator of Toasted Corn Flakes.
